SALVA AKBAR

Student

26/03/2005 salvakbar2261@gmail.com Hanamkonda, Telangana

Objective

Enthusiastic B.Tech AIML student with a strong interest in programming, data analysis, and AI solutions.
Eager to apply theoretical knowledge to practical projects and enhance technical expertise.
Passionate about continuous learning and exploring innovative technologies.
Seeking opportunities to contribute to team-oriented and impactful projects.

Education

Balaji Institute Of Technology And Science, Narsampet
Pursuing Bachelor's of Technology (AIML)
GPA: 9.0

SR Junior College For Girls, Hanamkonda
Intermediate in MPC
GPA: 9.7

Masterji Girls High School, Hanamkonda
State Government Schooling
GPA: 10.0

Key Skills

Programming Languages: C, Python, Java, JavaScript

Databases: MySQL, Oracle

Technologies: HTML, CSS, Machine Learning, Research Skills, Data Analysis

Additional Skills: Project Management, Team Collaboration, Effective Communication, Time Management, Problem Solving, Presentation Development

Projects

BitsNotify – Academic Notification Platform
Developed a web-based system for real-time academic notifications with role-based access for faculty and students. Built using PHP, MySQL, and a responsive UI supporting media-rich announcements.

Procrastination Risk Detector – Machine Learning Project
Built a machine learning model to predict procrastination risk using behavioral and activity data. Applied data preprocessing, feature engineering, and classification techniques for productivity analysis.

BikePoint – On-Demand Bike Service Platform
Created a service-booking website that connects users with nearby mechanics for rapid bike repairs within 10 minutes. Implemented location-based matching and an efficient request management system.

Internships

Virtual Internship in Networking, EduSkills
• Gained hands-on experience in networking fundamentals, including network architectures, protocols, and security concepts.
• Learned practical aspects of enterprise networking and cybersecurity through guided modules supported by Zscaler and AICTE.

Certifications

Certificate of completion – Machine Learning Internship (Alfido Tech)
Certificate of completion – Agentblazer Champion
Certificate of completion – Passport to earning(Adobe)
Certificate of completion – Digital Productivity with AI (Passport to Earning / UNICEF YuWaahi)
AI Fundamentals: Language and Vision in AI – IBM SkillsBuild
Python Essentials 1 - CISCO
Python Essentials 2 - CISCO
Introduction to Cyber Security - CISCO
Cyber Security Essentials - CISCO
Networking Essentials - CISCO
C programming - Code Tantra
Python Skills - Code Tantra
Database Management System - Code Tantra
Advanced Java - Code Tantra

Volunteering Experience

Events (organized events)
Community support (Tutor, Community Garden)

Workshops

Introduction to C
Introduction to Data Structures
HTML, CSS, JavaScript
Cloud Based (Services, Softwares)

Training Programs

SAP Code Unnati in association with Edunet

Languages

English, Telugu(Understandable), Hindi
